Mr. E. H. Knoche  
Deputy Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Hank:

Your note was as welcome as it was unexpected. I am delighted with your very generous words, and indeed they are made all the more persuasive by your suggestion that some of the conclusions could be debated. I doubt that I could be pressed into agreement with each observation.

With my warmest wishes for 1977,

Sincerely,
